**Lauren Conrad : Lauren Conrad Style** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lauren Conrad Style:

I've been a fan of Lauren Conrad ever since her Laguna Beach and The Hills days and have always loved her chic style. I considered purchasing this book years ago when it first came out but didn't because I had my own style and was fine with it. Now, oddly enough, I'm in my mid-thirties and a mother of twin toddlers and I realize I am not part of the target audience for this book. However, lately I've become more interested in learning more makeup and style tips because it's fun! Lauren Conrad Style is a well-written style guide that contains many aspects dealing with fashion. This book is divided into three parts: Fashion, Beauty, and Lifestyle. Within each part are chapters devoted to different categories within those topics, such as "Building Your Wardrobe" and "Accessories" in Fashion, "Makeup" and "Hair" in Beauty, and "Work and School" and "Events and Parties" in Lifestyle. There is information in this book that tells you how to use the same clothes and make it into various outfits using different accessories, dressing for your body type, and how to do your

hair and makeup. Personally, I enjoyed the sections on makeup and hair the most since I am looking for fun tips so I can have fun doing my hair and makeup (when I actually have the energy for this since my twins keep me pretty busy). There are a lot of expensive labels and stores mentioned, which may not be possible for some readers to buy and shop at, but it's nice to see pictures of Lauren Conrad in her stylish clothes so you can go to a store of your choosing and find something similar. Overall, I like this book and have learned several things from it. One thing to note is that Lauren Conrad also has a book called *Lauren Conrad Beauty*, which I have as well. *Beauty* contains much more specific information on hair and makeup whereas *Style* gives more of an overview so if you are more interested in the hair and/or makeup aspects, I would purchase *Beauty*. I would say this book is geared more towards teenage girls and women in their twenties but there is nothing wrong with women older than this buying this book! If anything, I can learn some tips from it to pass on to my daughter when she reaches the teenage years and she can read this as well. The price point is certainly well-worth it and there is a lot of information within the 230 pages of this book so I'd definitely recommend this book to fans of Lauren Conrad or anyone who wants more tips on fashion!

Watching "Laguna Beach" and "The Hills" as a teenager, I grew up liking L.C and her fashion sense. I was so excited about this book, and has an amazing (and cheaper) price than most retail/bookstores. The book did not disappoint- if I could buy enough books for all my girlfriends I totally would. This book is a great gift, treat, and personal staple for anyone even remotely interested in the fashion industry, or just the ladies who want in on L.C style tips. I love that this book has two angles, Lauren's personal lifestyle tips, while at the same time, it includes a lot of classic/helpful information from other sources (such as her styling crew, and other tips she's learned from designers/makeup artists). A lot of the content in this book is also similar to plenty of classic and timeless tips you would get from Teen Vogue, Lucky Mag, and People's Style Watch (which is great, you get a big magazine with helpful tips in one book). The book is overall great- it involves many categories, such as: 1. Shopping tips 2. Closet organizing 3. Makeup 4. Hair 5. Basics every girl/woman should own 6. How to shop/dress for your body shape. 7. Accessories and more!

Unfortunately, I either ruined it or lost it and have been yearning for it for ever since. I finally found this on here and I was so excited to get it. The book was in perfect condition as well!

Lifestyle and fashion icon Lauren Conrad, the #1 New York Times bestselling author of *Lauren Conrad Celebrate* and *Lauren Conrad Beauty*, lets fans step into her enviable closet in this must-read guide on finding the perfect style. Filled with an inspiring array of fashion tips and personal stories, and lavishly illustrated with dozens of color photographs throughout, *Lauren Conrad Style* is the perfect book for all of Lauren's many fans and for any girl or woman looking for pointers from one of Hollywood's most relatable yet glamorous stars. You've seen Lauren Conrad on TV and red carpets, looking fabulous whether she's going casual for a day with friends or dressed for a night out. Now Lauren reveals how you can adapt her classic, understated style for yourself. In her first-ever style guide, Lauren offers tips on how to create your own unique look, shares her favorite sources of inspiration, and identifies the absolute must-haves for any fashionista's wardrobe. Along the way, she examines her fashion evolution, from California-casual teen to camera-ready style icon and clothing designer. From beauty advice and hair secrets to how to shop vintage or find the perfect T-shirt, *Lauren Conrad Style* unlocks the mysteries of being effortlessly chic. With Lauren's guidance, you'll look and feel stylish every day.

Lauren is the perfect combination of classic girl and up-to-the-moment trend setter. There's not a girl alive who wouldn't want a little of her style magic! (- Ann Shoket Editor in Chief, Seventeen Magazine)
