insight into all aspects of playing craps. This is an Advanced book though and if you're new to craps, get a more basic book to start. Be warned that Patrick uses sarcastic anecdotes, but the wit is meant to drive home his key points. Also recommended, "Craps: The Real Deal" by Vogel and Edell's "How to Make Your Living Playing Craps." 0 of 0 people found the following review helpful. Good, sound advice.By Lucia MarcelaThis is the first book I have read on casino gambling. I am a novice gambler and I found John Patrick's advice to be solid and sound. He wants you to make smart decisions and not expect miracles. There are no gimmicks, no empty promises. He has little tolerance for a loser mentality and is uncompromising on what he thinks is the right or wrong way to go. I will continue to go back to the book as I play more and more because there are many different strategies and I can only absorb and put into practice so much information at once. I just got back from Vegas and I cannot report that I came home with more money than I left with, but I did go there with some parameters to begin playing with and enough confidence to step up to the craps table. Hopefully the dice will be hotter during my next outing.

Advanced Craps is just what it sounds like. this book is my favorite because of the power of the Money Management and discipline Theories. there are 131 chapters alone on Money Management. It takes the time honored idea of playing craps and offers a comprehensive and logical way of utilizing the Place Bets as a more potentially profitable way to play craps. this book has everything a player need to compete at the tables and a wide variety of off shoots to each suggested method of play. In short.....it is a MUST read.

John Patrick's book on Advance Craps is constantly listed in the top 10 sellers in our catagog. People come in specifically to purchase and read this book. It covers everything you ever wanted to know about the fabulous game of craps and expecially how to bet and control yourself at the tables. It certainly is one of our best sellers. -- Gamblers Book Club, LV, NEVADAThis terrific money making treatise contains over FIFTY workable and highly profitable systems specifically designed to increase your profits at the craps tables! -- yAbout the AuthorJOHN PATRICK is a professional gambler with years of experience in the gambling world including the early days of Vegas, the Mississippi River Boats in the days before casino gaming became popular, race tracks, poker rooms and any place where the opportunity to risk a dollar on the outcome of a happening was available. Patrick lists sports, poker, craps, Baccarat and roulette as his favorite gambling plays. Besides a long run as guest host of his own TV show, SO YOU WANNA BE A GAMBLER, Patrick has done 23 Video tapes, written 12 books on gambling, appeared in a movie, soap opera and has been a guest on over 2000 radio and TV shows. Patrick's main lament.....After all these years, all anyone wants to talk about is gambling.....they don't even ask me my opinion on the weather.....Looks like I'm typecast!!!!!!!
