John Patrick : So You Wanna Be a Gambler: Baccarat before purchasing it in order to gage whether or not it would be worth my time, and all praised So You Wanna Be a Gambler: Baccarat:

0 of 0 people found the following review helpful. Good, Better, and Great InformationBy Thomas WakefieldEven while John talks to Me like I'm an undisciplined doubter, So You Want to Be a Gambler: Baccrat is loaded to the hilt with good, better and great information! Many gambling writers are kind of like milk toast, this is a burger baby! Real meat with all the right garnish. :-)

Vernon Andrew Roessler Good info you should know. Maybe you already know but forgot. Has some cool techniques inside that make it worth the purchase. 0 of 0 people found the following review helpful. Two Stars By ardbob didn't learn anything is only good for someone who knows nothing about baccarat.

Baccarat is by far the easiest game to play in the casinos, yet most people are intimidated by the aura of the game. I will break the rules down to where a 7 year old can understand them and then show you ways to bet and manage your money that will make this a game that you will want to play. Since the rules are Universal.....the main part of the book is zeroed in on the process of cutting losses and picking up consistent winning Sessions.

John Patrick , a steady contributor of articles to this magazine will give excerpts from his book on Baccarat to this months viewers. Since Baccarat is viewed as a game strictly for high rollers, Patrick shows in an informative and entertaining way, the best approaches to this very simple game. Besides showing the reader the simpleness of the game of Baccarat, Patrick goes into an intelligent discussion of the betting process. We hardily recommend your reading this very informative book. It gets a 5 star in this corner. -- Las Vegas Journal, LV, Nevada About the Author JOHN PATRICK is a professional gambler and the author of 12 books on gambling. He gives Seminars on gaming throughout the U.S. and is in constant demand as an after dinner speaker. In 1990 he was saturized on Saturday Night Live, which led to a lot of the popularity he now retains in the gambling business. Patrick gambles 7 days a week and is widely recognized in the casinos in Atlantic City and Las Vegas. Patrick resides in NJ and visits AC 4-5 days a week, playing craps, BJ etc and shares his methods of betting with the many people who approach him for autographs on any given day.
