GuzmanI do believe this book was describe as good with some highlighting . The book I got is being held together by tape. Book binder is awful . Pages folded. I would have used the word poor to describe this book.

Examining the role of mass media and information technology in contemporary societyThis specially priced

comprehensive introductory text emphasizes the increasing diversity and globalization of societies everywhere, and the special role of mass media and information technology in contemporary society.

About the Author William E. Thompson was born and raised in Tulsa, Oklahoma, and was the first member of his family to receive a high school diploma. He received his bachelor's degree from Northeastern State University, a master's degree from Missouri State University, and a Ph.D. from Oklahoma State University. Professor Thompson has authored and coauthored more than 30 articles in professional journals, including several reprinted in sociology textbooks and readers. He has coauthored a textbook on juvenile delinquency. Thompson also is the author of *The Glass House*, a nonfiction account of his mother's two year battle with cancer and the lessons about life and living learned from her death and dying. Professor Thompson began his college teaching career at the University of Tulsa. He spent the next ten years at Emporia State University in Emporia, Kansas. He is currently a professor of sociology and criminal justice and Director of Mayo College, a residential learning community for first-year students, at Texas AM University - Commerce. He has also taught in the British Studies Program at Kings College, University of London. In 1993 Thompson received an Outstanding Teaching Award from the Texas Association of College Teachers, and in 1994 he won the Distinguished Faculty Award for Research and Teaching at Texas AM University - Commerce. For fun and relaxation Thompson plays the drums.
