**George H. Sage, D. Stanley Eitzen : Sociology of North American Sport** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sociology of North American Sport:

0 of 0 people found the following review helpful. Five StarsBy SeanHad to buy this for class, its just a normal textbook0 of 0 people found the following review helpful. Five StarsBy AppThanks!0 of 0 people found the following review helpful. Five StarsBy Chloe W.Perfect for sociology of sports class! Very in depth

Now in its tenth edition, *Sociology of North American Sport* offers a compact yet comprehensive and integrated perspective on sport in North American society. Bringing a unique viewpoint to the subject, George H. Sage and D. Stanley Eitzen analyze and, in turn, demythologize sport. This method promotes an understanding of how a sociological perspective differs from common-sense perceptions about sport and society, helping students to understand sport in a new way.

"The book takes an expansive approach that uses sports as a lens to view some of the key areas of North American society. These complex interconnectivities display how sports are not simply the games we play, but rather reflect and recreate the social realities that exist all around us. The authors have a strong writing style that is incredibly user-friendly. They don't talk over the student's head, but likewise, they don't dumb the material down."--Jeffrey Ratcliffe, Drexel University  
"This book is comprehensive and covers a wide variety of important topics." - Greg Kane, Eastern Connecticut State University  
"The theoretical approaches are great stepping off points for students, and topics they can easily connect and understand."--Maureen Smith, California State University-Sacramento  
About the Author  
George H. Sage is Professor Emeritus of Sociology and Kinesiology at the University of Northern Colorado.  
D. Stanley Eitzen is Professor Emeritus of Sociology at Colorado State University.
