Various Composers, Arranged by Gustavo Beytelmann : Solo Tango Solo Piano before purchasing it in order to gauge whether or not it would be worth my time, and all praised Solo Tango Solo Piano:

3 of 3 people found the following review helpful. Great book! By Daniel Wallace-Crabbe Very sophisticated arrangements here challenging the pianist and written in an authentic tango style. A delight to play these pieces.

Celebrated Argentine composer, pianist and teacher Gustavo Beytelmann has collected ten tangos in a variety of styles, written for various instruments, and arranged them for solo piano. All of the composers included in this collection, from Angel Villoldo to Eduardo Arolas, were active musicians and performed regularly in Buenos Aires and beyond. According to Beytelmann, the aim of this collection is to show how versatile the tango style can be, from the ragtime-like lilt of El Esquinazo to the romantic waltz La loca de amor by Pablo Jos Vzquez and the energetic El entrerriano by Rosendo Mendizbal, as well as a new arrangement of Carlos Gardel s immortal El dia que me quieras.

For advanced players.
