Fairly Decent By A Customer This is a kit; it consists of a book on fortunetelling using playing cards, and it includes a specially drawn deck of "playing cards." I first got the book by itself two or three years ago, and I found it to be interesting and timely, as well as informative and overall nicely done. The book

tells all about different layouts and spells that can be done with an ordinary deck of playing cards--which is what I originally used as a supplement. Later, I went back and bought this kit which includes Sophia's artist's cards. They are colorful and nicely drawn, but very small. I was used to tarot-sized cards, but these are the size of a smaller deck of regular playing cards.

Awaken your psychic and magical abilities as you learn to do readings with ordinary cards, when you get Sophia's Fortune Telling Kit by Sophia. This boxed set consists of two parts. First, you will find a colorful, original playing card deck designed by Beth Wright especially for this system. The same size as a regular deck of playing cards, this brilliant deck is available only in this kit. The second part, Sophia's book, *Fortune Telling with Playing Cards*, includes everything you need to know to start giving readings: The history of the cards Preparing yourself to give a reading Divinatory meanings for each card The Small Star Spread (four cards) The Wheel of Life Spread (twelve cards) The Grand Star Spread (fourteen cards) The Master Spread ( thirty-six cards) Eight complete sample card readings Card Spells Sophia's Fortune Telling Kit is unique because it doesn't require special decks or apparatus. The secrets revealed in this kit have been passed down to Sophia by four generations of card readers in her family. To learn how to tell fortunes with cards, you are presented with spreads (four unique ones are included in this book) and the meaning of the cards. Then you put the two together and come up with a readingbut Sophia's Fortune Telling Kit goes further to make giving readings easier. In this kit you will learn the meaning of each card in every position of the spread. For example, the Wheel of Life Spread is based on the astrological zodiac. That's 624 meanings. This is the type of precision and help you will find in Sophia's Fortune Telling Kit. If you would like to be able to give readings anytime, anywhere, you must get Sophia's Fortune Telling Kit.
