1 of 1 people found the following review helpful. What FUN!!! By Catherine Hammer I love this little chat pack. It was fun to pull out and talk about things with my family. We had a great time! One thing to point out - this inst trivial pursuit, there are no answers. You just ask the question and the the answer may be short or long. If you have vision difficulties the print is small. 0 of 0 people found the following review helpful. Five Stars By Julie L INTERESTING
