There are a few pages of fluffy throwaway patterns in there that some may like, but they arent my thing. I like just the uncolored comic art. THis book is also a great source for seeing uncolored inks.0 of 0 people found the following review helpful. Great book.By CookieDoughAvengerGot it for my dad who loves spawn. He really liked it. Great product.0 of 0 people found the following review helpful. Five StarsBy RichardHours of coloring
