From Flesk Publications : Spectrum 23: The Best in Contemporary Fantastic Art before purchasing it in order to gauge whether or not it would be worth my time, and all praised Spectrum 23: The Best in Contemporary Fantastic Art:

4 of 4 people found the following review helpful. Want to like it more By LaTanya S. Rucker I agree with the reviewers above, Spectrum is THE go to collection for fantasy art every year. I want to give it 5 stars, but I can't. It is just a trifle flat. I wish I could define that better; an off year possibly. Still all kinds of 4 stars, of course. 4 of 4 people found the following review helpful. Spectrum 23 By Lawrence E. Eichman As always excellent book. Product limited by what available that year and to be honest some volumes in the series were better. At the same time if you are fan of fantasy art a must have. 3 of 3 people found the following review helpful. Beautiful Book By C. Cashion As an illustrator, I always love the Spectrum books! They showcase some of the best works in contemporary fantasy illustration. This book is a beautiful hardcover and did not disappoint.

The best-selling Spectrum series continues with this twenty-third lavishly produced annual. Challenging, controversial, educational, and irreverent, the award-winning Spectrum series reinforces both the importance and prevalence of fantastic art in today's culture. With exceptional images by extraordinary creators, this elegant full-color collection showcases an international cadre of creators working in every style and medium, both traditional and digital. The best artists from the United States, Europe, China, Australia, South America and beyond have gathered into the only annual devoted exclusively to works of fantasy, horror, science fiction, and the surreal, making Spectrum one of the year's highly most anticipated books. Featured in Spectrum 23 are over 300 diverse visionaries. With art from books, graphic novels, video games, films, galleries, advertising and the fine arts, Spectrum is both an electrifying art book for fans and an invaluable resource for clients looking for bright new talent. The entire field is discussed in an invaluable, found-nowhere-else Year In Review. Contact information for each artist is included. Often imitated, never equaled, Spectrum 23 continues the freshness and excellence that was established over twenty years ago.

About the Author John Fleskes is the president and publisher of Flesk Publications. He has published over fifty books to date. Fleskes has contributed to numerous books as writer, editor and designer and serves as the director of the annual showcase "Spectrum: The Best in Contemporary Fantastic Art."
