Nintendo : Splatoon 2018 Wall Calendar before purchasing it in order to gage whether or not it would be worth my time, and all praised Splatoon 2018 Wall Calendar:

Make your way through 2018 with colorful 3D art from the chaotic world of Splatoon, the newest video game franchise from Nintendo. Splatter enemies and claim your turf with ink-spewing, squid-like characters called Inklings. Change from humanoid to squid and back again to make your way across the battlefield at top speed.
