Think you're as logical as Mr. Spock? Solve these challenging conundrums and prove it! Mr. Spock is famed throughout the galaxy for his mental prowess and ability to think clearly and unemotionally. Now you can pit yourself against his highly logical way of reasoning with this officially licensed puzzle book. The half-human, half-Vulcan has come up with a range of fascinating and highly challenging conundrums that gives solvers a unique opportunity to mind-meld with the renowned character!
