The Editors Of Sports Illustrated : Sports Illustrated Tim Duncan Special Retirement Tribute Issue: Farewell, Big Fundamental before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sports Illustrated Tim Duncan Special Retirement Tribute Issue: Farewell, Big Fundamental:

After leaving St. Croix for Wake Forest at the age of 18 and then joining the NBA as the No. 1 pick, Tim Duncan quickly established himself as one of the biggest stars in the game, even with his quiet and unassuming ways. His businesslike approach-year after year, he found countless ways to improve his game-and obsession with winning

fueled him to an unparalleled career. After a historic NBA career over 19 seasons, Duncan is on the short list of the greatest players in basketball history. With five NBA titles, two league MVPs and three NBA Finals MVPs, Duncan is the most successful player of his generation-maybe even the best. Sports Illustrated has been with Duncan every step of the way and salutes his retirement with a special commemorative edition collecting the best of SI's coverage of the Spurs great through the years. The scope and breadth of Duncan's career are captured with SI's peerless prose and photos. Sports Illustrated's Tim Duncan Special Retirement Tribute Issue is a fitting sendoff for this singular athlete.
