Tom of Finland, The ideal man times twelve. Tom of Finland, born Touko Laaksonen, has a huge international following. The artist created fantasies that photography cannot reproduce. What distinguishes Tom of Finland is that he created erotic works with an absolute masterstroke of his pencil. The well-rounded Tom's man engages in every

sort of recreational play, assuming the role of a swimmer and a soccer player, among others. A must-have for fans of Tom of Finland!
