D.K. Acharya : Standard Methods of Contract Bridge Complete before purchasing it in order to gage whether or not it would be worth my time, and all praised Standard Methods of Contract Bridge Complete:

The book "Standard Methods of Contract Bridge Complete" comprises of a methodical study and critical analysis of bidding, play, defence and other strategic instruments of contract bridge. In order to make a clear conception of all the

norms, options and techniques, more than 200 deals have been illustrated thoroughly. The book compiles a systematic consolidation and logical explanation of all sorts of theories, conventions, norms and techniques of modern systems of Contract Bridge. Such unique and comprehensive compilation may provide immense assistance to the new generation of bridge players to develop and improve skill and strategic maturity for much better performances even upto the national level. Even the experienced players may prefer this book for consultation from time to time. The chapters on bidding explain most of the popular systems, artificial conventional bids and logical illustration of the correct norms of bidding under various situations. The bidding, in general, has been explained according to Standard American System. Whether it is bidding, play or defence, the most vital art is to take the correct decision at the correct time for the correct method, strategy, option or technique to be adopted for a profitable result. This book has the speciality that can empower a bridge player with thorough explanation on each of techniques separately for taking the crucial and appropriate decision.

About the AuthorThe author is a disciplined member of excellence of Contract Bridge in India. His vast experience since 1976, profound studies and continuous research on the subject have been compiled in an integrated and logical presentation for the bridge lovers of the world.
