Beth Hollinger : STAR OCEAN(tm) Till the End of Time(tm) Official Strategy Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised STAR OCEAN(tm) Till the End of Time(tm) Official Strategy Guide:

1 of 1 people found the following review helpful. 5 Stars even though binding fell apartBy Quercus AlbaI found a way to keep this guide together and functional, and I give it 5 Stars, even though the binding came apart and pages fell out. Normally I wouldn't give five stars if product build quality is an issue, but the content of the guide is so great that I can overlook the binding in this particular case, since my primary need for the book is to help me enjoy and complete the game.I bought this Star Ocean Till The End of Time Strategy Guide used on , so I got a good deal and it had a little pre-existing wear, nothing serious.Even though I tried to handle it gently, it has gotten a lot of use, and the pages

started coming out of the binding. So... I pulled the pages out one by one, used a 3-hole punch, and made my own 3-ring binder with the pages. Even with all that, I still give this book 5 stars, because it is so complete, so detailed, and so helpful for this huge, awesome game. Maps, Character development charts, strategy tips without spoiling the plot surprises - it is one of the really good game guides I have used. I recommend getting a copy if you are playing this game. If your binding comes apart, as these BradyGames books sometimes do, make a 3-ring binder like I did - it is just as functional, if not moreso. If having a strategy guide that won't physically stand up to use bothers you, steer clear of this one. 3 of 3 people found the following review helpful. Excellent By bloody_player91 While it took a long time for the seller to ship the product (almost a month, actually), and I even considered reversing my order, the product eventually shipped and I eventually got my guide. The guide was not new, as was claimed by the seller, it did have a few dings in the cover, but all in all it was in pretty good shape. The book itself was very helpful, I enjoyed a lot of the information found in this game guide. For collectors value, this is definitely worth a look. Even for the casual gamer, both the game and guide are worth a serious look. This is hands down the best video game I have ever played, and I found the guide very helpful, especially in certain tricky spots in the game where I got stuck. 0 of 0 people found the following review helpful. Five Stars By Ronnie Ellefsen excellent

Save the Universe from the Clutches of Evil with this Signature Series Guide! BradyGames' STAR OCEAN Till the End of Time Official Strategy Guide features an exhaustive walkthrough including detailed maps. In-depth coverage of all mini-games, character bios and comprehensive bestiary. . Tactics for the new Versus Mode, plus accessory and item inventories. Signature Series guide includes extra bonus content, a premium item and much more! BradyGames is Official and Exclusive on this title. Platform: PlayStation 2 STAR OCEAN Till the End of Time is the first installment in the acclaimed science fiction RPG series to be released for the PlayStation 2. It will be available as a two-DVD set that includes extras from the Director's Cut version released in Japan. Additions include new playable characters, new enemies, a fighting mode in which players can duel with party members, expanded event scenes and CG movies, new background music and much more. In the story, 400 years have passed since the climactic battle with the Ten Wise Men from Star Ocean: The Second Story. The PANGALACTIC Federation continues to research the cosmos in an ongoing quest for power. Meanwhile, young Earthling Fayt Leingod and his family and friend are taking a vacation on the resort planet of Hyda. Their holiday turns into a nightmare when Hyda is attacked by an unknown military force, separating Fayt from Sophia and his family. Fayt begins a quest into the unknown to find his loved ones. Not Final Cover. Square Enix Co., Ltd. (Square Enix), headquartered in Tokyo, Japan, develops, publishes and distributes entertainment contents including interactive entertainment software and publications in Japan, North America, Europe and Asia. The recent merger between Square and Enix brought two of Japan's best-selling franchises - FINAL FANTASY(r), sold over 45 million units worldwide and DRAGON QUEST (DRAGON WARRIOR(r) in North America) sold over 30 million units worldwide - under one roof. Both known to be pioneers in the role-playing game (RPG) genre, the unification of Square and Enix has created one of the most influential providers of entertainment content in the world. Square Enix U.S.A. Inc., located in Los Angeles, Calif., handles operations in North America including localization, marketing and publishing of Square Enix titles.
