Ethan Phillips, William J. Birnes : Star Trek Cookbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Star Trek Cookbook:

1 of 1 people found the following review helpful. Not just Voyager! By Kevin RI bought this book mainly as a joke present to a friend who was a big Trekkie but hated Neelix. I have to say, after we got it, we were pleasantly surprised at how many recipes and characters make an appearance. It's a BIG book chock-full of real recipes named after Star Trek dishes and themes. It is also not limited just to Voyager, but contains recipes related to most characters from most Star Trek series, including TNG and DS9. If you like cooking and Star Trek, I really recommend it! 1 of 1 people found the following review helpful. Great Food ! Worth more than its weight in pure water ! By SeaJay A fun cookbook for Star Trek fans. Star Trek NG, DS9, VOG are all more family friendly than say, Star Wars... or other newer films. Enjoy some delicious deep space dinners while you await the newest Star Trek TV show. Voyager made a big deal of meals on the show... Cruising through deep space in an almost fully automated starship, endless boredom only interrupted by sudden dangers: delicious food dining with friends would become the best part of the day. Meals only

slightly altered to use Earthbound ingredients. Yummy....Enjoy !3 of 3 people found the following review helpful. An Awesome Cookbook with a "geek spin"By James PenningtonI ordered this cookbook for my wife, a big Trekkie who has recently converted me :) The cover does not do justice for all the gems your gonna find in this book. It has recipes from all the Star Trek shows and many of the actors contribute personal recipes of their own to the book as well. There is a nice chapter on what they used to make all of the crazy looking food for the shows as well as a section for setting up your own "alien bar" with drink mix recipes :)Most of the dishes are pretty easy follow and will give you "Earth" substitutes for alien ingredients. We plan to have a lot of fun with this book and we hope you do you.

A fun, easy to use, and indispensable guide to the food of the stars: The Star Trek Cookbook!Is there one food that humans, Klingons, Bajorans, and Vulcans would like? If so, what would it taste like? How would you prepare it? Could you find all the ingredients locally? This is the task that faces Neelix, chef for the U.S.S. Voyager, every time he takes on the challenge of trying to feed its crew of 140 food critics. But over the course of their journey, Neelix's learned a few tricks of the trade. He had to, just as a matter of self-preservation. Ethan Phillips, in the persona of Neelix, and William J. Birnes, the New York Times bestselling coauthor of *The Day After Roswell*, throw wide the vaults of interstellar haute cuisine, revealing for the first time the secret preparation techniques behind all those exotic dishes and drinks. The favorite foods of characters from every Star Trek series and movie are here, all adapted for easy use in twentieth-century kitchens. The Star Trek Cookbook also features a complete guide for whipping up the all the drinks served at Quark's.

About the AuthorEthan Phillips was born into a restaurant family. His father was the owner of the famous New York steak house Frankie and Johnnie's, which still serves up the most delicious sirloin in all of Manhattan. Striking out on his own, Ethan, who plays Neelix on Star Trek: Voyager, became an actor as well as the author of the play *Penguin Blues* published by Samuel French. He has acted in many of the major regional theaters across the country as well as on and off Broadway, and has appeared in many television shows including *Star Trek: The Next Generation*, *NYPD Blue*, *Chicago Hope*, *Murphy Brown*, *Law and Order*, HBO's *From the Earth to the Moon*, as well as playing "Pete" for five seasons on *Benson*. His feature films include *Jeffrey*, *Civil Action*, *For Richer or Poorer*, *Greencard*, *The Shadow*, *Lean on Me*, *Wagons East*, and *Man Without a Face*, among others. Ethan acts, writes, cooks, and lives in Los Angeles with his wife, Patty, an artist.
