Review of Star Trek collectablesBy Debra GreenThis is the same as the other collectible book. Not specific enough for me. It is to broad and mainly concentrates on the newer star trek and not the first ones which are to me the most collectible.1 of 1 people found the following review helpful. Good book but limitedBy David BeathamThis is a good book to find and id parts of your collection, though it is limited to the authors collection and didnt have all the collectibles thats out there, a few items i have are not in it, but even with that its a good book and id recomend it to any collector of trek stuff.

This book provides a wide-range of "Star Trek" treasures any devoted Trekkie or novice collector of this epic science

fiction franchise will appreciate. This spectacular guide contains more than 1,500 colour photos, including items from the Christie's auction of one-of-a-kind "Star Trek" props and memorabilia direct from Paramount Studios. Plus, readers will enjoy comprehensive collector coverage of more than 40 years of "Star Trek" action figures, lunch boxes, games, pins, posters, uniforms, original scripts and countless other items, all with identifying details and current market values to satisfy collectors' sharp sense of detail.

About the Author Steve Kelley has been an avid Star Trek fan and collector for 35 years. This is his first book.
