CustomerA step by step thought provoking book for anyone interesting in learning the basic ideas behind the King Indian attack.0 of 0 people found the following review helpful. Five StarsBy Douglas McMickleGood book!0 of 0 people found the following review helpful. I like most of the books in this series and this ...By eric friedI like most of the books in this series and this one was ok although given the diversity and vast variety of variations of this opening this book falls a bit short. Granted it's an intro book I still was left underwhelmed compared to, for example, the accelerated dragon starting out book

The King's Indian Attack was a firm favorite of the legendary Bobby Fischer, and more recently it has been utilized with great success by world-class Grandmasters such as Alexander Morozevich. The renowned chess coach Mark Dvoretsky regards the King's Indian Attack as a perfect weapon on which to base an opening repertoire. Its great advantage over other openings is that it's a thematic system that can be employed against many different lines, while the emphasis is on the understanding of ideas rather than the dry memorization of moves. The King's Indian Attack leads to rich middlegame positions that are full of dynamic possibilities for both sides.In this easy-to-use guide, King's Indian Attack expert Angus Dunnington goes back to basics, studying the fundamental principles of this attack and its numerous lines. Throughout the book there are an abundance of notes, tips, and warnings to help improving players, while key strategies, ideas, and tactics for both sides are clearly illustrated.User-friendly design to help readers absorb ideasConcentrates on the key principles of the King's Indian AttackIdeal for improving players
