Gawain Jones : Starting Out: Sicilian Grand Prix Attack before purchasing it in order to gage whether or not it would be worth my time, and all praised Starting Out: Sicilian Grand Prix Attack:

0 of 0 people found the following review helpful. Good readBy Garry WilliamsExcellent7 of 8 people found the following review helpful. Very Good but somewhat limitedBy P.R. GaffneyWhile I don't play this opening myself, I face it a lot in my chess games. I got this book to see some of the attacking ideas that white has so I can be better equipped to deal with them. I did find, however, that the book glosses over some of the more common moves at club

level. The variations that I have played against are barely covered and in no depth are they covered. Maybe I need to find more booked up opponents...12 of 40 people found the following review helpful. A world wide enthusiasmBy Midwest Book ReviewEven in an age of video and computer games, chess still continues to be one of the most popular and challenging of the gaming pastimes and enjoys a world wide enthusiasm as evidenced by a proliferation of chess clubs, organizations, and tournaments. "Starting Out: Sicilian Grand Prix Attack" by British Grandmaster Gawain Jones focuses specifically on the Grand Prix Attack as one of White's most aggressive options with respect to traditional Sicilian opening move. Illustrative, step-by-step examples provide the aspiring chess student with everything necessary to employ this opening, complete with key moves for both players, along with discussion of the underlying rationales of the moves themselves. "Starting Out: Sicilian Grand Prix Attack" covers all the main lines after 2 Nc3 and 3 f4; as well as featuring informed and informative chapters on the currently fashionable 2 Nc3 Nc6 3 Bb5 moves. One of the newest titles in the extensive and prestigious Everyman Chess series, "Starting Out: Sicilian Grand Prix Attack" is especially recommended reading for novice chess students, as well as players seeking to improve their tournament game performance.

Starting Out: Sicilian Grand Prix Attack is a further addition to Everyman's best-selling Starting Out series, which has been acclaimed for its original approach to tackling chess openings. International Master Gawain Jones revisits the fundamentals of th
