Abbie Hoffman : Steal This Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Steal This Book:

0 of 0 people found the following review helpful. A great look back. By James A. Fenwick I should hade stole it when I was 20!0 of 1 people found the following review helpful. .By Christy Leigh Stewart The book is out-dated but the philosophy is and always will be applicable. At times I would smile to myself while fondly thinking of how technology has made things so much easier to steal, but in reading some sections it becomes glaringly obvious how technology has made it so much harder to rip some industries off. I also learned to always wear a helmet and a gas mask. And that

if I'm getting rapped to yell "I have VD!" 0 of 0 people found the following review helpful. A collector's item. By Harvey A This book was purchased for a retiring friend who recalled their younger hell-raiser days. The humorous disruptive instructions are fun to read for those with historic interest in the anti-establishment culture of the time - but method and politics have little relevance to today's world.

A driving force behind the social revolution of the 1960s and 1970s, Hoffman inspired a generation to challenge the status quo. Meant as a practical guide for the aspiring hippie, *Steal This Book* captures Hoffman's puckish tone and became a cult classic with over 200,000 copies sold. Outrageously illustrated by R. Crumb, it nevertheless conveys a serious message to all would-be revolutionaries: You don't have to take it anymore. "All Power to the Imagination was his credo. Abbie was the best." Studs Terkel

About the Author One of the most influential and recognizable American activists of the twentieth century, Abbie Hoffman was born in 1936 in Worcester, Massachusetts. His writings include *Steal This Book*, *Woodstock Nation*, and *The Autobiography of Abbie Hoffman*. He died in 1989.
