Henry Winchester : Steampunk: Fantasy Art, Fashion, Fiction The Movies (Gothic Dreams) before purchasing it in order to gage whether or not it would be worth my time, and all praised Steampunk: Fantasy Art, Fashion, Fiction The Movies (Gothic Dreams):

1 of 1 people found the following review helpful. OUTSTANDING ART; drawings photos!By Ron Mac~A Coffee Table Book has been described as a larger, hard-cover book mainly intended for display and casual reading. It is usually a light read, featuring mostly photographs and minimal textperhaps giving an overview of a specific subject. There is no plot or story line, but rather snippets of information pertaining to the subject.~I have several such books in my personal Steampunk library.~Not a book to read cover-to-cover, rather one to read little bits at a timeand be inspired. Even your friends who dont understand Steampunk will enjoy looking through this book!~A good solid addition to your own library...or living room coffee table.0 of 0 people found the following review helpful. Three StarsBy T. K. GardinierI'm using this as a coffee table book...it matches my decor. I did not read.0 of 0 people found the following review helpful. Bought this as part of a birthday present for my ...By Michael TreadwayBought this as part of a birthday present for my daughter and she loves it. Very well illustrated and the artist is very talented.

Imagine a world where steam is the main source of power, but the attitudes are distinctly futuristic the romance of the past meets the technology of the future. Steampunk is a subculture on the rise, an exciting mix of adventure and sci fi in a world full of cogs and rivets, goggles and corsets. Influenced by the worlds created by H.G. Wells and Jules Verne, Steampunk has grown into a movement encompassing fashion, art, movies, literature and even music. Films such as *The League of Extraordinary Gentlemen* catapulted steampunk to the big screen, whilst events have sprung up all over the world in which fans create magnificent costumes and put steampunk twists on modern devices. As you read this exciting new book, enjoy a stunning selection of artworks portraying the ecstatic fantasy of steam-powered worlds.

About the Author G. D. Falksen (foreword) is an author, lecturer and public speaker. He also studies history, is a consultant for Disney and blogs for Tor.com and ComicMix.com. Dubbed 'the unofficial face of Steampunk' by *Paper* magazine, he is one of the most recognizable figures in the steampunk literary genre and the related subculture. He is the author of *The Hellfire Chronicles* series and the *Ouroboros Cycle* series and his work has appeared in *Steampunk Tales*, *Steampunk Magazine*, *The Chap* and several anthologies. He has appeared as a guest at various events and Comic Cons, and been featured in *The New York Times*, on MTV and io9.com. He is also the lead writer for Hatboy Studios, Inc., creators of the steampunk-themed video game *AIR*.
