Jay Strongman : Steampunk: The Art of Victorian Futurism before purchasing it in order to gage whether or not it would be worth my time, and all praised Steampunk: The Art of Victorian Futurism:

35 of 35 people found the following review helpful. Beautiful!By BriannaBoth my boyfriend and I love steampunk so I decided to buy this book for the two of us. The artwork and photos in this book is beautiful. When it arrived we looked at it for 2 hours straight. Just as a FYI for people out there wanting to buy this for kids, there are a couple of topless photos of women in here.0 of 0 people found the following review helpful.
