Ted Menten : Steampunk Vixens Paper Dolls before purchasing it in order to gage whether or not it would be worth my time, and all praised Steampunk Vixens Paper Dolls:

I wished they had been a bit smaller in size but fun to use in scrapbooks1 of 1 people found the following review helpful. Five StarsBy Barbthese arrived by due date my daughter loves them0 of 0 people found the following review helpful. Solid itemBy Noir DeLuneFun collection! Very colorful with lots of variety in hair and eye color for the dolls. I only gave four stars because almost every outfit comes with a gun and there are so many other possibilities for weapons and gadgets! I also wanted to see more patterned fabrics.

Dress these sexy spitfires in glamorous steampunk style! These four fetching paper dolls and their 28 fantastic

costumes will captivate steampunk fans and enthusiasts of science fiction and Victorian apparel. The sultry, ready-for-action models come with a wardrobe of gowns, jumpsuits, and boots as well as a full complement of gadgets, including antique timepieces, goggles, and weapons. Includes mature content.
