From Brand: Theater Communications Group : Strasberg at the Actors Studio: Tape-Recorded Sessions

before purchasing it in order to gage whether or not it would be worth my time, and all praised Strasberg at the Actors Studio: Tape-Recorded Sessions:

3 of 3 people found the following review helpful. After you read this, then you must train w/ his institutionsBy bStrasberg was my training. This book only touches on the brilliance of this incredible man. He transformed the way

actors train and how they cope with the "actors problems" This is a nice little start. I also recommended reading the Strasberg Notes by Lola Cohen. And then training with her at the Institute in NYC. If you want to work as an actor, this is a great route to go. 2 of 4 people found the following review helpful. Brilliant for the Method acting enthusiast...By Lowell E. Hayenga Nothing like hearing the true Method approach from the man himself Lee Strasberg. Strasberg was greatly responsible for bringing the "Method" actor from the stage to the screen but what a group he had to work with. If you think Method actors are a little bit "nuts". This book will prove to you that they are. The true "Method" has been lost for so many years and damn near died altogether. Thank God Al Pacino is planning on teaching this wonderfully demanding approach again at the same great acting school. NYFA! Brilliantly fantastic! 0 of 1 people found the following review helpful. Great seller and awesome product fast shipping By Customer Great product and fast shipping! Couldn't be happier.

"A fascinating close-up of Mr. Strasberg's philosophy of theatre and method of working with actors."--Eliot Fremont-Smith, The New York Times Unavailable for over fifteen years, these transcripts of Strasberg's private acting classes provide a revealing look at one of the nation's most famous acting schools and its controversial leader.
