From Diamond Comic Distributors : Street Fighter Deck-Building Game before purchasing it in order to gage whether or not it would be worth my time, and all praised Street Fighter Deck-Building Game:

0 of 1 people found the following review helpful. Can't go WrongBy OzmasnicatorHaven't actually played this game but I have played the other Deck-Building games from Cryptozic which are all great. I did take a look at the set though and the card art amd stock is of high quality. If you like the Cryptozoic Deck-Builders, there's no need to shy away from this. Go get it!
