Introducing a new calendar for fashion lovers, for people-watchers, for anyone who appreciates head-turning style. Street photography is not about the trends and models of glossy magazines; its about showcasing regular people who have a bold, singular way with clothing and accessories. Its also a social media phenomenon: Photographers like The Sartorialist, Tommy Ton, and Adam Katz Sinding boast hundreds of thousands of followers. With a year of delightfully spontaneous, full-color images, Street Style celebrates the beauty and spirit of unconventional styleand the people who flaunt itfrom the sidewalks of Paris to Melbourne to Tokyo to Lima.
