**Rudy Dentu : Sudoku Relax, Volume 3: 200 Hard Puzzles** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sudoku Relax, Volume 3: 200 Hard Puzzles:

0 of 0 people found the following review helpful. Great to exercise your brain!By Nadia van RaamGreat to exercise your brain!

Sudoku RelaxRelax and release stress with Sudoku. In this book you will find only two puzzles on each page. Therefore the Sudoku is easy to read. Also the Sudoku's are printed to the edge of the page, which means that it is

easier to write down the numbers, even on the left page. Or you can simply cut out the whole page and take it to a place where you just want a moment to relax.
