From Billig Leslie EDT : Sunny Sunday Crosswords before purchasing it in order to gage whether or not it would be worth my time, and all praised Sunny Sunday Crosswords:

These puzzles are so unique, but like potato chips, your can't have just one. Try one ... you'll like it!4 of 4 people found the following review helpful. Every thing to recommend, little to disappointBy birdwalkerI'll be posting all of this review on the following sites (i.e., all in this series currently published by 12/11): Walk in the Park Sunday, Three-day Weekend, Sunny Sunday, Weekend Getaway, and Sunday Brunch. The facts are:1) printed on very good quality paper2) one puzzle plus clues per page3) print and squares large enough for older eyes4) individual leafs -- a puzzle on each side -- easily ripped from spiral binding5) superb editing: as far as I can remember, absolutely no typos6) hardly any gratuitously obscure clues: everything fair and above boardNow to the opinion: Just in case a crossword puzzle in any book or newspaper might be too easy, I work the puzzle as a sort of Scrabble; i.e., I can start the puzzle anywhere, but must play off

existing words only and can't begin again elsewhere on the puzzle until I'm absolutely stumped and can no longer play off what I have already written in. (Yes, I use ink.) I estimate that I became "stumped" in fewer than one out of five puzzles. I do not consider these especially easy, but neither are they terribly difficult. Perhaps a few are challenging. Some have clever gimmicks. Just about every one is fun. These are top quality, well-edited, fair play, medium difficulty crossword puzzles. 2 of 2 people found the following review helpful. I've never enjoyed a series of crossword books this much. By buyer I've never enjoyed a series of crossword books this much. "Sunny Sunday" is my second Leslie Billig puzzle book and I intend to order every book that bears her name. The puzzles are difficult and challenging, but not impossible to complete. Each puzzle has its own theme and personality and none of those ridiculous clues, like "Tasmanian beetle." Be prepared for a few chuckles in each puzzle, such as when the answer to "small flower" turns out to be "creek."

Put aside some spare time and enjoy solving some Sunday/weekend-sized puzzles!
