Doyle Brunson : Super System 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Super System 2:

0 of 0 people found the following review helpful. Classic "Bible" of PokerBy CustomerThis is the classic Bible of power poker from Doyle Brunson. It's a great read and great present for a poker player. It's a limited copy of the hardcover. It teaches some classic foundations of how to play power correctly. It's not just all about knowing the odds; that's just the beginning. This book gives you a lot of other things to consider if you want to try to become a professional or just a good recreational player.

This is one of the most influential books ever written on poker. Included are professional secrets.
