SKATE SURF ART CULTURE By ROBERTO F R TUNES It's the great compilation of the SURF/Skate art and culture. Required on your library. Required on any library. I recommend.

A dazzling display of top surf art and design From vintage surf art to the latest designs, this collection is filled with brilliant color, energy, and vibe. It features the top 30 artists working on the surf graphic scene, each with a detailed biography, as well as the same eye-popping production values of Kustom Graphics and Kustom Graphics II. Of course, there are plenty of California artists making their marks on the surf art scene, including Shawn Dickinson

(Palmdale), Damian Fulton (Los Angeles), Tom "Big Toe" Laura (Irvine), Jim Phillips (Santa Cruz), Rick Rietveld (Newport Beach), and Keith Weesner (Thousand Oaks). Brad Parker lives in Hawaii, while Thor splits his time between California and Hawaii. Pat Grant and Marty Schneider are among Australian artists on the scene, while European artists include PG Artworks (Sweden), Mik Baro (Spain), and Thorsten Hasenkamm (Germany).

"Surf Graphics highlights an impressive array of Latin American surf artists, along with a veritable who's who of the Southern California scene." Eastern Surf Magazine
