Nick Foulkes : Swans, Legends of the Jet Society before purchasing it in order to gage whether or not it would be worth my time, and all praised Swans, Legends of the Jet Society:

Conjuring images of exotic global destinations and golden beaches, clandestine rendezvous on opulent yachts, and star-studded parties in palatial mansions, the words jet set were once the epitome of soign worldly glamour. Swans: Legends of the Jet Society captures the spirit of this world, the last vestiges of a leisured and cultivated age, a world of taste and culture, elegance and beauty. From bygone aristocracy to modern mega-wealthy moguls, this stunning volume regales with escapades of travel, money, romance, and adventure. By Nicholas foulkes
