There isn't explicit nudity, it's mostly women wearing lingerie or costumes, sometimes in suggestive poses. Well worth it. My only complaint is minor, there's an LPN sticker covering the barcode, I don't know why they do that.0 of 1 people found the following review helpful. but still nice pin-up picturesBy DinoSlightly cartoonish, but still nice pin-up pictures.0 of 2 people found the following review helpful. GoodBy rwrans56Cute cheese cake pinup style illustrations.

When it comes to creating visual confections of supreme eye-candy, few artists can wrap up (and then delightfully UN-

wrap) them quite as expertly as Keith Garvey. His "Garv Girls" are legendary, and this latest collection of mouth-watering treats will surely have fans lining up to get a taste! Pin-up perfection for the 21st Century by a modern master!
