An amazing book from the very best of art By yolandaroftoples@mail.telepac.pt Who enjoys the work Mark Borthwick does for 'Purple' magazine and has followed his photography with passion, will certainly love this wonderful book. He is an amazing photographer and writer, without a doubt. Always conceptual, always romantic, always raw. And of course, we must not forget Olivier Zahm and Jeff Rian - the very best, as we are used to.
