Mark V. Stein : Tabletop Radios, Volume 4 (The Complete Price Guide to Antique Radios) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tabletop Radios, Volume 4 (The Complete Price Guide to Antique Radios):

0 of 0 people found the following review helpful. Five Stars By Ralph R. Klimek Jr. Great source of data for restoration projects. 0 of 0 people found the following review helpful. Five Stars By Harvey Mattell Item accurately described; fast shipping 0 of 0 people found the following review helpful. Stein is so Good By Ernest W. Bennett The best on this subject. Read it.

America's No.1 vintage radio identification and price guide series has been further expanded with a fourth volume. This new reference supplements the current three volumes with over 2,500 new listings and 1500 illustrations. In

keeping with our new and expanded format, icons indicate Canadian radios, Ingraham cabinets, Worlds Fair models and noteworthy industrial designers. Each listing also includes tube and band counts, options, variations and current values.

About the AuthorMark V. Stein, an MBA from Johns Hopkins University, has been active in the vintage radio hobby as both collector and dealer for over 20 year. His first book, Machine Age to Jet Age, Guide to Tabletop Radios, changed the collecting field. Mr. Stein's identification and prices guides continue to be expanded and updated. His vintage radio guides currently number six, with four volumes of tabletop radios, a reference for pre-war consoles and his collaboration with the Sears Archives in documenting all Sears Silvertone catalog apges from 1930 through WWII. Mark has also compiled the first comprehensive reference for 20th Century Modern Clocks. Mark is currently CEO of Radiomania, Inc., in addition to Publisher for Radiomania Books. He also overseas Radiomania.com which specializes in investment quality vintage 20th century industrial design items including radios, clocks, chromeware and more.
