Take All Your Chances at Bridge was published in 2009 and has already been reprinted twice. It won the American Bridge Teachers 2010 Book of the Year Award for best intermediate-level book. In this sequel, Kantar presents another collection of play problems for advancing players. Again, the theme is not just finding a good line of play: the trick is to combine as many possible lines as possible to optimize your chances of making the contract. Full of Kantar's inimitable humor and extra tips, as well as lots of good bridge, this one is another sure winner. Eddie Kantar (Santa Monica, CA) is one of the most popular and prolific bridge writers in the world. A winner of two World Championships, and a member of the Bridge Hall of Fame, his many books include Modern Bridge Defense, Advanced Bridge Defense, the hilarious Kantar on Kontract, and of course, Roman Keycard Blackwood. His work appears regularly in many bridge magazines around the world.

About the Author Eddie Kantar is one of the world best-loved and best-selling bridge writers. A former world champion, he has been elected to the Bridge Hall of Fame.
