And with thick, sumptuous paper as your canvas, you'll no doubt want to showcase your artwork as a beautiful coffee table book or framed images for your wall once you've

completed your journey. This colouring book is the third title in a brand-new colouring book series celebrating the uniqueness and beauty of world cultures through their landscapes and decor. Go beyond colouring in... They say a picture is worth a 1000 words... Colouring in promotes focus and mindfulness. Through completing the carefully constructed and researched images, you will gain insights into British life, learn about the places, the art and architecture, the relics, the regions, and even the language. Proverbs are like windows into a culture, encapsulating its cultural knowledge and values. Each hidden object alludes to the proverb, giving you a memory hook for remembering it. With a Bilingual glossary in back, you will pick up the language at the heart of British culture. An index references the specific details of each image.
