Based in a Marsella Tarot, the images are beautiful!0 of 0 people found the following review helpful. MagicBy RebeccaThe cards arrived in excellent condition. Very happy with the service and

quality. The bookmark is a nice surprise. The cards themselves are beautiful and rich on colour and surreal in imagery. A good size for the hand and a great feel to them.0 of 0 people found the following review helpful. Five StarsBy JoseNice card deck. Everything okay.

The cards depict dreamlike fantasies with bold colors and fanciful paintings. The style is similar to that of the surrealist movement. One of our most popular decks!
