**From Thunder Bay Press : Tattoo-pedia** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tattoo-pedia:

0 of 0 people found the following review helpful. Five Stars By sharongift2 of 2 people found the following review helpful. Five Stars By Gail Cline Wow love this book. I don't have enough skin for all the tattoos I want out of this book. 1 of 1 people found the following review helpful. Great book By Shanna My husband is getting into tattooing and is very picky about books. He loves all the details in this book and looks through it all of the time for ideas!

Thinking of getting a tattoo? How about celtic spiral dragon on your bicep or flowers and butterflies on your lower back? Getting a tattoo is all about really connecting with an image or idea and wanting to make it a permanent statement in your life. You want to prepare as much as you can before the procedure takes place which makes Tattoo-Pedia the perfect resource! Tattoo-pedia includes thousands of designs to choose from when picking your next--or your

very first--tattoo. What you choose will depend on your tattoo style, and this beautiful and easy-to-use guide will help you figure out how much creative control you need and how much money you want to spend. You'll also find information on placement and finding an artist. From personalized to custom to couture, from celtic to tribal, from fairies to wings, Tattoo-Pedia is the complete guide to body art.

About the AuthorThe Editors at TattooFinder.com, Lou Bardach, Rachael Bardach, Brad Hutchison, and Brett O'Connor started TattooFinder.com in 2003 after receiving multitudes of requests from people looking for single tattoo designs that they could browse in the comfort of their own homes before getting inked. Based in Colorado, they work with high-quality tattoo artists and studios all over the world, and their site has been ranked by PC Magazine as one of the Top 100 Websites.
