I have a beautiful set, that cannot be usedBy Red TopTeach Yourself Mahjong is still difficult concept for me. I play this game on the computer, but I cannot play it "in Person" on the table. I have a beautiful set, that cannot be used. I think I shall sell the set, and the

book on .. A lot of money wasted. Sorry to be so negative.0 of 3 people found the following review helpful. Five StarsBy GabriellaEverything was excellent. Thank you, ggulley10

Teach Yourself Mahjong is an easy way for you to learn the fundamentals of mahjong, a game with ancient Chinese origins and played in the United States since the 1920s. Each player builds a wall using colorfully engraved tiles, which are picked and discarded to achieve a winning combination--just as in a card game. Features tips on buying a set, keeping score, and clever strategies.
