**Stuart A. Hyde : Television and Radio Announcing, 12th Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Television and Radio Announcing, 12th Edition:

The digital revolution has significantly changed broadcast technology. The 12th edition of Television and Radio Announcing reflects new trends in the field, such as the reconfiguration of electronic media production practices and distribution models. The internet and social media have opened up new access to production and new methods of distribution, such as YouTube, Facebook, Twitter, and podcasts. The 12th edition addresses the realities of students who live in this new era. Learning Goals Upon completing this book, readers will be able to: Develop essential announcing skills Understand new trends in the field
