Tennessee Williams : Tennessee Williams: Plays 1937-1955 (Library of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tennessee Williams: Plays 1937-1955 (Library of America):

5 of 5 people found the following review helpful. Fabulous Collection and InsightBy taragoldThis collection of

Tennessee Williams plays provides an insightful view into the world of a famous American writer. I loved re-reading plays in their original, which have been adapted into movies that almost everyone (over 40) has seen. I especially liked the comments from the playwright which gives insight into the man himself. Excellent book.5 of 5 people found the following review helpful. Greatest American playwright of all time.By A. StevensI love these collections of Williams plays. I have both volumes and they include all his plays. Still small enough to carry around as the pages are very thin but this is not in anyway bothersome. His writing has changed my life. Such compassion and understanding of human need and pain. I never tire of reading his works. Williams writing is a must for anyone, even if you are not in the theatre world. His plays are timeless and genius. He is the such a beautiful, poetic playwright.0 of 0 people found the following review helpful. A must for those who admire Tennessee Williams' uncompromising works.By Notary SojacTennessee is my favorite modern playwright, and the Library of America publishes quality books -- it's a pleasure to hold them and turn the pages -- actual pages made of paper!

Tennessee Williams's explosive, often violent, plays shattered conventional proprieties and transformed the American stage. They inspired some of the most famous productions and performances in theatrical and film history, and they continue to grip audiences all over the world. Now, in an authoritative two-volume edition, The Library of America collects the plays that define Williams's extraordinary range and achievement. This first volume begins with the stunning rediscovered plays of Williams's early career: *Spring Storm*, a tragedy of provincial longing that prefigures the mood and language of his later work, and *Not About Nightingales*, a stark prison drama, produced in 1998 to international acclaim, that resounds with the playwright's outraged idealism. With the autobiographical *The Glass Menagerie* in 1944, Williams attained what he later called "the catastrophe of success," a success made all the greater by *A Streetcar Named Desire*, his most famous play and one of the most influential works of modern American literature. Forging an idiom that uniquely blended lyricism and brutality, a tragic sense of life and a genius for comic observation, he continued to revolutionize the American theater with a series of masterpieces: the poignant and melancholy *Summer and Smoke*, the light-hearted erotic comedy *The Rose Tattoo*, the sprawling and surrealistic *Camino Real*, and *Cat on a Hot Tin Roof*, the Pulitzer Prizewinning portrayal of a ruthless family struggle. This volume also contains *Battle of Angels* (an early version of *Orpheus Descending*), and a selection of Williams's one-act plays, including *27 Wagons Full of Cotton*, *The Property Is Condemned*, and *I Rise in Flame*, *Cried the Phoenix*, a meditation on the life and work of D. H. Lawrence. This edition includes a newly researched chronology of Tennessee Williams's life, explanatory notes (including cast lists of many of the original productions), and an essay on the texts.

From Library JournalThis set collects all of Williams's plays, including the recently rediscovered early efforts *Spring Storm* and *Not About Nightingales* up through his most famous works and later lesser-known dramas. These magnificent titles are essential for all academic and public libraries. Copyright 2001 Reed Business Information, Inc.About the AuthorThis volume is edited by Mel Gussow (19332005), who was a drama critic, a cultural writer at *The New York Times*, and author of several books, including *Edward Albee: A Singular Journey*, and by Kenneth Holditch, professor emeritus at the University of New Orleans, editor since 1989 of the *Tennessee Williams Journal*, and the author of *In Old New Orleans*.
