Too pretty to put away on a shelf. Share it with your friends, take it and show it off. So much more to do with tequila than lime juice!0 of 0 people found the following review helpful. Love this bookBy Emma BouthillierLove this book! It's beautiful to look with incredible images of Mexican landscape. The recipes are very unique and tasty as well as easy to replicate at home. My favorite being the Mexican Mule. It's a great cocktail book to have at home and will be the key to any fun party you want to throw, i know it made my friend think I used to be a great bartender. Definitely recommend it to anyone who enjoys a good cocktail and some tequila!!0 of 0 people found the following review helpful. It's full of super fun yummy ideas I

would've never thought to ...By natalie vitalI've recently tapped into my new hobby of making different styled cocktails this book is so helpful! It's full of super fun yummy ideas I would've never thought to pair with tequila. Lucky for my friends fam, I just picked up a few more bottles of my fave Reposado by Casamigos so I'm all set for Christmas cocktails.

Tequila Cocktails is the fourth in Brian Van Flanderns series of award-winning books, centering on Casamigos Tequila by George Clooney, Rande Gerber, and Mike Meldman. This volume shines a spotlight on the title beverage: the smoothest, best-tasting tequila from their master distiller in Jalisco, Mexico, with a taste so good that adding salt or lime would be gilding the lily. The Blanco, Reposado, and Aejo varieties are truly the quintessence of Mexicos favorite beverage. This volume includes sixty delectable recipes.
