James Adams : Terraria: Guide: 111 Facts and Hints about Terraria (terraria, terraria guide, terraria cheats, terraria tips, terraria strategy, terraria tricks) (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Terraria: Guide: 111 Facts and Hints about Terraria (terraria, terraria guide,

terraria cheats, terraria tips, terraria strategy, terraria tricks) (Volume 1):

2 of 2 people found the following review helpful. Vague, Inaccurate, Repetitive, and Confusing. By Gerry C Matatics I'd like to point out before I begin this review that it was made to critique the book, and not to create a personal attack on the author. This book is overall not very informative. Let's go through why. Vague- The book will say things in a way that will not provide the reader with all the necessary information for a beginner. For example, it might say that a heart will increase your heart containers by one if you use it. Someone new to the game would probably think: What is a heart, those things that drop from enemies? What is a heart container, extra inventory space? How do I get one? How do I use one? Also, sometimes the author needlessly breaks up his writing into multiple tips, making it more confusing. Inaccurate- The author will get his facts wrong quite often. For instance, he claims Blood Moons happen 10% of the time. Another example is the statement that the final boss shoots "fireballs" and "homer missiles". Confusing- Seriously, a lot of the book is written like someone talking about stuff while the audience is unaware of context. Often times tips will seem contradictory, leading to more confusion. Not only that, the book's tips have been ordered horrendously, with no parts or chapters to separate the content, creating a very slap-dash feel. Spoilers- Parts of the book give info regarding the last few bosses, which I feel diminishes the excitement and enjoyment of facing them for the first time significantly. Price- \$2.99 is unfair for a book like this with no images, confusing and vague wording, and minimal effort overall. Most of the tips are only helpful to beginners, and even then, they lack the context necessary to explain to someone with limited knowledge about the game. Alternatives- Talk to the guide at the beginning of the game. Look up Terraria tips and tricks online. They're free, and--for the most part--much higher quality. There are guides in Terraria's Steam community. Youtube videos are especially helpful, due to the visual cues, and often, there'll be additions in the comments. If you still have questions, you could even ask them on the Terraria subreddit. ([...]) I hope you found this review helpful, and happy Terrariaing! (I think..?)~MiningdiamondsVIII

Terraria - 111 Facts and Hints about Terraria
Terraria is an amazing game that is full of magic and weapons, fighting and adventure as well as being a game that has a true sense of purpose and progress. This book will help you get the very most of the game. It is jam-packed with over 100 hints and tips and facts about Terraria - it won't ruin the game for you by telling you what to do and where to go, but it will help you to be able to finish the game YOUR way. The tips and hints in this book are designed to reveal more of the game to you than you have seen before. It is the ultimate collection of tips that will enhance the way you play the game and make it more enjoyable. The more you understand about the game, the more you will get out of it and want to replay it again! Get this book now if you love Terraria or are just starting out on this magical game - you will learn so much and get some tips and facts to get everything you possibly can from the very deep and complex worlds that inhabit Terraria! ***BONUS - I have also included a taster of my quiz book on Terraria (with answers of course!) - test your knowledge against yourself or your friends now!***
DOUBLE BONUS! - as an extra bonus I have put in extracts from my games book on Terraria - solve the puzzles as quickly as you can!
