David Bradshaw : Texas Hold'em On The Net: How to Maximize Your Winnings before purchasing it in order to gauge whether or not it would be worth my time, and all praised Texas Hold'em On The Net: How to Maximize Your Winnings:

0 of 0 people found the following review helpful. This book works By John Wyatt I have been playing off and on for a year with no tangible results. I read this book and followed it exactly and in the 1st 4 days I went from \$1000 to \$4280 (Play Money). In 17 single table (9 seats) games I have 2 Firsts 4 Seconds and 6 Thirds. I play very tight until there are only 6 players which allows me to follow the strategy that is discussed in this book. I have been in the money 70% of

the time. This book works.....1 of 1 people found the following review helpful. What do you expect of a 63-page book? By Fernando Gomez Not even a complete book for beginners. In only 63 pages the author assumes you'll start winning hundreds of dollars following his simple strategies but it's not enough. I bought it for 0,01 \$ (second hand) and I'm not sure if it's worth that price. If you are a beginner buy a complete handbook. If you already know the basics this book won't be of any help either. 5 of 6 people found the following review helpful. For the most basic of beginners only. By James Whalen I found this book to be a waste of time and money. If you have ANY OTHER book on Holdem, everything here will be repetition. My personal thoughts were that this was a waste of time and money, but perhaps I am too harsh. If you are giving someone their very first book, and they are a beginner, well, perhaps this is the book. Otherwise, not. But this is just basic stuff. Very basic stuff.

Texas Hold'em on the Net: How to Maximize Your Winnings gives you an in-depth look at today's most popular game. From initial registry to playing for a living, enclosed is everything you will need to access, evaluate and dominate your competition. Included are tried and true moneymaking techniques as well as how to avoid potential pitfalls and cold streaks.
