Guy Brunson : TEXAS HOLDEM: How To Play Texas Hold'em For Beginners before purchasing it in order to gauge whether or not it would be worth my time, and all praised TEXAS HOLDEM: How To Play Texas Hold'em For Beginners:

1 of 1 people found the following review helpful. Exceedingly Thin. A Rip-off if priced above \$1 By Max Requenes If you omit the copyright pages and the pages recommending other books, this is a 24 page pamphlet written in very large, double-spaced type. You can read the entire book in about 4 minutes, which is not bad in and of itself, but definitely a rip-off at \$9.99. The first line of the last paragraph should tell you something: "Thank you again for

downloading this book!"0 of 0 people found the following review helpful. Great guide to the poker gameBy P. WilliamsI gained so much knowledge from this book into how to play Texas Holdem, Ive played this card game before but never really knew how to play it properly, but now I do. This book gives you all the information, strategies and tips into how to play this card game like a pro and its a book I would recommend getting if you want to learn about the game.0 of 0 people found the following review helpful. The book is about the history of the Texas Holdem ...By Woo DaThe book is about the history of the Texas Holdem card game, the game terms, core concepts for success, and playing the game online. It's written for beginners.

How to Play Texas Holdem for Beginners + Free Gift Inside! If you enjoy playing standard poker but are looking for something with a bit more strategy and a much higher potential, then Texas Holdem may be just the thing for you. Texas Holdem is currently more popular than ever and the detailed analysis available in Texas Holdem: How to Play Texas Holdem for Beginners will provide you with everything you need to know to be backdooring a case card off the river in no time flat. The book discusses the history of Texas Holdem and how it rose from obscurity to become the most popular type of poker around before discussing the stats and facts you need to know in order to make proper betting decisions regardless of the cards you have in your hand or where you are seated at the table. It also offers a complete guide on how to choose the right online poker site for you. Inside you will find The true story on how a handful of professional poker players from Texas started the Texas Holdem trend by looking for rich gamblers to play against. A complete guide to all the slang and poker jargon you need to talk like the pros (and know what they are talking about). The top ten hands you should always keep pre-flop. The top ten hands you should throw away in almost any situation. The way in which sitting in the four positions should factor into your pre-flop assessment. The benefits of using a decision tree. Tips to make sure your bankroll survives your learning curve. And more
