BlockBoy : Texture Pack Handbook for Minecraft: Awesome Minecraft Texture Packs That You Must Try!: Unofficial Minecraft Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Texture Pack Handbook for Minecraft: Awesome Minecraft Texture Packs That You Must Try!: Unofficial Minecraft Guide:

1 of 1 people found the following review helpful. Useless but Free OK, Don't waste money on it Google will serve you better!
By InfoHoundI was greatly disappointed with this book. I was looking for something that would explain the texture packs and provide a decent description and maybe even a location link. Some information about the texture pack would be useful, like date of publication, what editions of minecraft does it work on etc...This may be common knowledge to some, but if it's a handbook, it should let a beginner as well as a seasoned player know what is going on.This reviews 16 texture packs badly, I can find better information free through Google and not waste money on an uninformative book.
0 of 0 people found the following review helpful. Pretty good
By Raewyn SandersonThis is a good texture pack book selection if you want to have a basic texture pack... So pretty good overall!
