50 Cent, Robert Greene : The 50th Law before purchasing it in order to gage whether or not it would be worth my time, and all praised The 50th Law:

1 of 1 people found the following review helpful. Five StarsBy Kate HGot this for my partner and he has read it twice already!1 of 1 people found the following review helpful. Worth the ReadBy Whitney J.Good book. If you can read it in the right mind frame. I can see how some people can interpret this in a bad way or use the information in the opposite form. Worth the read.3 of 4 people found the following review helpful. Good vs EvilBy Eddie y Laura HFor every success story comes the story of how to overcome the challenges of life. Robert Greene has his own story of

how he came to his success, but his story isn't much different than that of 50 Cent. You wouldn't think that these two will have very similar life challenges but they share a lot of the same but the differences are that they could be life or death situations. The struggles were the same the differences were the characters and what influences they had on the success or failure. The battle of a successful businessman isn't much different than that of a street hustler and these two authors offer plenty of insight to the struggles both faced just in different battle grounds. I feel that as someone that has seen or lived through some or similar events is a great insight to let me know that my street smarts are very much applicable in a professional environment that could possibly lead to a very successful business deal. I decided on 4 stars because I think 50 Cent needed to have more of an input and his own written sections or chapters rather than Robert Greene explain the majority of situations 50 Cent was faced with and then go describe in his own words what 50 Cent had to go through. Nonetheless a definite good read and a lot of great advice to take life head on.

In *The 50th Law*, hip hop and pop culture icon 50 Cent (aka Curtis Jackson) joins forces with Robert Greene, bestselling author of *The 48 Laws of Power*, to write a bible for success in life and work based on a single principle: fear nothing. With stories from 50 Cent's life on the streets and in the boardroom as he rose to fame after the release of his album *Get Rich or Die Tryin*, as well as examples of others who have overcome adversity through understanding and practicing the 50th Law, this deeply inspirational book is perfect for entrepreneurs as well as anyone interested in the extraordinary life of Curtis Jackson.

From the Back Cover A hip hop icon joins forces with the best-selling author of *The 48 Laws of Power* to write a bible for success in life and work living by one simple principle: fear nothing. About the Author Curtis James Jackson III (born July 6, 1975), better known by his stage name 50 Cent, is an American rapper. He rose to fame with the release of his albums *Get Rich or Die Tryin* (2003) and *The Massacre* (2005). Both albums achieved multi-platinum success, selling over twenty-one million copies combined. He is the author of *From Pieces to Weight: Once Upon a Time in Southside Queens* (SS, 2006). He lives in New York. Robert Greene is the author of three bestselling books: *The 48 Laws of Power*, *The Art of Seduction*, and *The 33 Strategies of War*. He attended U.C. Berkeley and the University of Wisconsin at Madison, where he received a degree in classical studies. He has worked in New York as an editor and writer at several magazines, including *Esquire*, and in Hollywood as a story developer and writer. Greene has lived in London, Paris, and Barcelona; he speaks several languages and has worked as a translator. He currently lives in Los Angeles.
