Charles Peattie, Russell F. Taylor : The Alex Technique: On Jobs in the City before purchasing it in order to gage whether or not it would be worth my time, and all praised The Alex Technique: On Jobs in the City:

This text pinpoints the excesses that make the rest of us laugh at the financiers' expense and which no doubt cause them to wince in recognition. It offers appropriate Alex cartoons showing the anti-hero in any number of tight corners from which he manages to escape with practiced charm.
