The Allure of Women highlights our era's most well-known icons, women recognized all over the world for their style

and elegance. Chic, natural and elegant, these women are captured in lavish photographs and compelling text, making *The Allure of Women* impossible to put down. Author Francois Baudot, one of France's leading fashion and style specialists, also invites you to discover lesser-known women of allure, envied and emulated in their own societies in the same way super models are in ours.

"An unabashed celebration of those blessed by the gene pool. Sometimes gorgeous is simply gorgeous."
